

CITY OF CUPERTINO
NOTICE OF PUBLIC HEARING
NON-POINT SOURCE CONTROL
STORM WATER MANAGEMENT PROGRAM

NOTICE IS HEREBY GIVEN that at its meeting of Monday, June 4, 2012, the Cupertino City Council will review the amount of revenue produced by the storm drainage service charge and the estimated cost of the City's Non-Point Source Control (rainwater pollution prevention) and Storm Water Management Program. The report will contain a description of each parcel receiving the benefit of the storm drainage system, and the amount of the storm drainage service charges for each premises for the forthcoming fiscal year. At the time stated above, the City Council shall hear and consider all objections or protests, if any, to the report referred to in this notice. Upon the conclusion of the hearing, the City Council may adopt, revise, change, reduce, or modify any charge or overrule any or all objections and shall make its determination upon each charge as described in the report, which determination shall be final. A copy of the report is on file in the City Clerk's office and is available for public review. Council meets at 6:45 p.m., Community Hall Council Chamber, 10350 Torre Avenue, Cupertino, California. Interested parties are invited to attend and be heard. If you wish to challenge the City Council's action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City of Cupertino City Hall at, or prior to, the public hearing.
